

Now that the warm weather has arrived, it is the perfect time to plan your home, cottage or office renovation.

Barrie Flooring Centre, a local, family owned business, has been providing the community with exceptional flooring services for over 25 years. Tino and Kim Zarcone provide outstanding products combined with exemplary workmanship, along with honesty and integrity.

Barrie Flooring Centre is a full service flooring provider who specialize in both residential and commercial jobs, a free shop-at-home service and complimentary consultation here on site or in the comforts of your living room. They provide many choices that allow you to express your personal style for every room in your home, cottage, or area in your business.

Their extensive knowledge of their product lines, along with their focus on customer service allows Tino and Kim to provide the highest quality flooring solutions available today.

Barrie Flooring Centre is also your one stop full service home renovation shop. They perform complete kitchen and bathroom renovations along with flooring, carpet and shutter installations.

Tino has extensive building and design knowledge. Along with Barrie Flooring Centre, Tino, and colleague Chris Nitsopoulos, are also with Dreamwood Homes, a well renowned custom home builder in Simcoe County.

Dreamwood Homes has developed some of Simcoe County's most prestigious estate subdivisions including Bridal Gate Estates in Midhurst, Innisbrook Estates in Innisfil and The Ravines of Matheson Creek in Midhurst.

With a radiant showroom, Barrie Flooring Centre offers a wide selection of hardwood, ceramic tile, laminate, and carpet options to suit every budget. Whether you're looking to replace a shower, add a kitchen backsplash or explore new flooring products, they can offer many options and expert advice. They work with homeowners, contractors, and do-it-yourselfers to install high quality flooring in your home or office.

Along with providing the most comprehensive offering of flooring products from manufacturers worldwide, they also offer home decor expertise. Experienced staff are on hand to help you choose and design your

ideal solution. They will come to your home or business to consult with you, and will design a new layout with you to make your site exceptional. They will measure your space and help you determine whether carpeting, ceramic tiles or hardwood is best suited for your needs.

Barrie Flooring Centre is a full service flooring provider who specialize in both residential and commercial jobs, a FREE shop-at-home service and complimentary consultation.

Visit Barrie Flooring Centre's showroom, or call, to set up a home appointment. From pricing to service, you will see for yourself why they will give you the distinct advantage in flooring. You will always be made to feel comfortable, relaxed and welcome in their shop. They will provide you with one on one service from start to finish, and

will do so at competitive prices. They are conveniently located at 526 Welham Road in Barrie.

With a combination of expertise, experience and integrity, Barrie Flooring Centre is the perfect choice for your next home, cottage or office renovation or building project.
